

ABOUT ME

Extremely motivated individual with in-depth knowledge in the field of testing, designing, and development tools, seeking a position in a growth- oriented company where I can use my skills to the advantage of the company while having the scope to develop my own skills.

INTERNSHIP EXPERIENCE

14/02/2024 - 14/09/2024 Ernakulam
INTERNSHIP IN MEA(R)N STACK LUMINAR TECHNO LAB

- Utilized React to build dynamic and responsive user interfaces, focusing on component-based architecture and state management.
- Designed and implemented reusable components, ensuring efficient and maintainable code.
- Utilized JavaScript to create interactive and dynamic web applications, enhancing user experience and functionality.
- Implemented responsive design principles using CSS and libraries like Bootstrap or Material-UI to ensure applications work across various devices and screen sizes

01/01/2023 - 30/04/2023 Trivandrum
SOFTWARE TESTING INTERN SUFFIX E SOLUTION

- Experienced in understanding the phases of SDLC, including requirement analysis, design, development, testing, deployment, and maintenance and STLC.
- Collaborated with development teams to understand project requirements and design test cases for web and mobile applications.
- Performed manual testing to identify bugs, inconsistencies, and performance issues across multiple platforms.
- Assisted in writing and executing test scripts using tools such as Selenium, JUnit, and TestNG.
- Created detailed bug reports and collaborated with developers to resolve issues, ensuring the delivery of high-quality software.
- Gained experience with defect tracking and management using Jira.
- Contributed to automation framework development by writing basic scripts to enhance testing coverage.
- Assisted in preparing test documentation and reports to provide insights into testing activities and outcomes.

EDUCATION AND TRAINING

17/08/2016 - 30/12/2020 Kanyakumari
COMPUTER SCIENCE AND ENGINEERING(BE) Amrita College of Engineering and Technology

14/02/2024 - 14/09/2024 Ernakulam
CERTIFICATION IN MEARN STACK Luminar Technolab

15/08/2022 - 30/12/2023 Trivandrum
CERTIFICATION IN SOFTWARE TESTING Scope India

PROJECTS

Kichizoi

E Commerce

- Developed Test scenarios and Test cases and executed functional and regression tests for a web application.
- Identified and reported software defects using bug tracking system.
- Retesting defect fixes on each release build.

SKILLS

CSS | HTML | Bootstrap | MySQL | Beginner JavaScript for Web Development | Manual and automation testing | Selenium | Cucumber | JUnit | LoadRunner | Postman | React | Angular | API Testing | Eclipse | Visual Studio | Postman
